## ABOUT US

### Who We Are?

We are GODWIT OVERSEAS EDUCATION, a study-abroad consultancy. We have got a team of expert counsellors and study-visa aficionados who work collaboratively to provide expert guidance to our clients who're students wishing to study abroad to acquire the overseas academic qualification.

### Aim behind Establishing Godwit Overseas Education

In 2010, Godwit Overseas Education was born with the collaborative efforts of our Managing Director Mr. Dharamvir. There is a huge leap between the students of India wanting to study abroad and the education providers providing education overseas. They realized that the study-abroad aspirants are majorly misguided by the agents for the sake of money. Through Godwit Overseas Education, they aimed for bridging the gap between Indian study-abroad aspirants and overseas education providers. The focus is to provide an eligible solution to the students from getting misguided.

## Career Counseling

The services provided by Godwit Overseas Education are transparent. For us, the client is always first. We guide the client at every step so that we are able to give high success to our clients. The West Highlander team works with utter honesty and maintains the confidentiality of the client as well. We work with an aim to give our best to earn the great satisfaction result of our clients. Our work is efficient and we always keep the track of time to work in the constraints applicable to get the study-visa for the student wishing to study abroad.

## Admission Counseling

Next is the step to guide the student for the admission. Here, they're guided through the whole documentation process needed to get an offer letter of the selected education provider to study abroad. We guide them through the process of sending complete and correct application package.

# SERVICES

## Visa Counseling

In this round of counselling, we give details about the approximate funds that would be required to finance living and education to study-abroad. Also, we also inform about other documents and financial requirements to get a visa.

## Admission Process

In this, we arrange and submit the documents to the Education Provider. Further, the students are given proper guidance on Letter of Recommendation (LOR), Statement of Purpose (SOP) and in some cases like for USA, New Zealand, and Australia- we also prepare and motivate students for the interview.

## Visa Filing Services

We are fully dedicated to get approval for the visa. On our behalf, we guide the student with the whole documentation process again in order to have zero error while filing the visa. The documents are set as per the study visa requirements. The students are provided with the proper checklist before-hand.

## Pre-Departure Orientation

The moment student has the visa in hand, West Highlander makes sure to give the student and the family very beneficial orientation program. This concluding Orientation includes the visa policy that a student has to follow while studying abroad. We also make them aware not to get misguided as there is a huge tendency that they'll lose their visa once they repudiate the rules even for once.

## Post Landing Support

Our services are not limited to get study-visa for the student but we also stand in support of our students after they land in their desired study-abroad destination. We help them with accommodation recommendation and other information of their education provider.
